REMINDER OF OHIO'S MOTOR SCOOTER LAWS

Motor scooters and mini-motorcycles have become hot items among children and teenagers.

Parents, grandparents and other family members are spending their hard earned money to purchase scooters and mini-motorcycles – just to find out that most cannot be operated on Ohio's roads and their children - or grandchildren cannot legally operate the vehicle.

In Ohio, the motor scooters and mini-motorcycles cannot be legally operated on Ohio's roadways unless - they are titled, registered, covered by the proper insurance and the operator is at least 16 years old with a motorcycle license or endorsement on his or her driver license.

Most of the small electric and gas powered motor scooters, which are sold in sporting good stores and department stores, are not roadworthy, therefore cannot be titled or registered.

In order for the scooter or the mini-motorcycle to be considered roadworthy each must contain a seat, not more than three wheels in contact with the ground, contain the proper brake lights, turn signals, horn, rearview mirrors and headlights.

The county title office will then issue a title for your motor scooter or mini-motorcycle. The title will cost \$5.

After you purchase your title, you will need to register your vehicle. The annual registration costs \$28.50, plus a permissive tax if required and any new plate fees.

The motor scooter and mini-motorcycle will be issued a motorcycle plate, which will need to be attached to the vehicle.

Please make sure you have the proper insurance coverage on your motor scooter or mini-motorcycle, before registering your vehicle. The owner and the operator of the motor scooter or mini-motorcycle are subject to financial responsibility suspensions if the proper insurance is not maintained.

And finally, in order for the individual to legally operate the motor scooter or mini-motorcycle – he or she must be at least 16 years old and hold a valid driver license with a motorcycle endorsement or a motorcycle license. It is very important to know Ohio's road laws and signs before an individual attempts to operate a vehicle of any kind on Ohio's roadways. Licensed drivers have been tested on their knowledge and skills.

Please, know the law before you purchase a motor scooter or a mini-motorcycle. Know where they may be operated and who can operate them. If you have questions you may contact the BMV at 614-752-7800 and you also need to check with your local jurisdiction before you make the purchase.

It's about your safety, your children's safety and other drivers' safety.

Attention Renters:

If you have moved in during the year, you have the opportunity to receive a welcome packet. This packet has lots of useful information in it which can help you get your "bearings" a little sooner, and with less effort. When a house is sold, we can easily find out who is there and when they got there. When a rental property has new tenants, it is much more difficult for the Welcome Committee to get that information. New to the area? Need information? Call Bob Gray at 237-8192. We are in the process of updating the packets. If you have questions please call!

Unsightly House Near You?

Do you have an unsightly house near you?

Recently the trustees have received phone calls regarding properties that have unmowed lawns, weeds and trash in the yards. These concerns should be addressed to either the Code Enforcement Office for the City of Dayton at 333-3977 or the Zoning Enforcement Officer for Riverside at 233-1801.

The By-laws for the Forest Ridge Association do not authorize us to require home owners to mow or weed their lawns.

Eagle Scout Project Information

Greetings residents of Forest Ridge

My name is Craig Iannacchione and I am an Eagle Scout Candidate from St. Peters Church in Huber Heights. For my Eagle Scout project I have volunteered to replace the bridge from the soccer fields to the parking lot that has been out for a while. This is a pretty big project and I'm working on getting the appropriate permissions, permits and to line up donations for material and manpower. I am very excited about this and look forward to getting to work. Since I am still working on the approvals, I don't have a firm date yet for completion by my goal is the end of June. I will be attending the FRA Trustee meetings to provide updates and providing updates through the Forest Murmurs.

Right now I estimate that the bridge to be over \$2000 in materials alone. Mr. Robert Gray has volunteered to be the treasurer of a special bridge fund managed by the FRA Trustees. Any donations for this should be directed to him. I appreciate any support that you can provide to this project and I promise to do my best.

Thank you

Craig
