We received 104 full and 4 partial assessments (\$23,234.00) in March, and we've received 5 full and 4 partials (\$1,585.17) so far this month; so there are 177 full and 6 partial assessments still open (\$39,687.83). This compares to 181 assessments (\$39,934.00) still open at the same time in 2013.

Greg Herman moved that the report be accepted. Shelton Monger seconded.

Vote 8-0

Murmurs: Roberta Havholm discussed the May issue. Jesse Morgan reported that spring soccer has begun. He said that they have more children signed up this year than last. He has enough coaches and refs and is ready for a great season.

Current Projects

Spring cleanup is nearly complete.

Mowing every week to include inside fenced area at pool during off season and soccer fields and Boulevard twice a week.

Painting lines on soccer fields weekly.

Fertilizer application on all parkways, soccer fields, middle of Boulevard and inside pool areas.

Lesco mower was dropped off at the shop for a not-starting issue. This mower is a 1998 with 1800 hours; it is no longer made, serviced, and has no dealer support for parts.

All equipment is ready and working.

New hire has started training.

Upcoming Projects

Finish mulching beds.

Tree removal at various locations.

Clean and fill cracks at all four tennis courts

The board asked Mitch to add rails to the new soccer bridge.

Old Business: The board discussed replacing the rope with some boards on the new soccer bridge.

Sue Hanley mentioned that there is an issue with Facebook postings not going to all people that "like" page. They are now charging money for more favorable distribution of postings.

Habitat for Humanity – Global Village Volunteer Opportunity

Spend a week on the Big Island of Hawaii making a positive impact in the life of a family in Kailua-Kona. While the beautiful scenery and perfect climate are easy to notice, those living in Hawaii have many barriers to maintaining a decent standard of living because Hawaii has one of the highest costs of living in the country. The median house price in West Hawaii is \$275,000, which is not affordable to most of the local workforce. Moreover, even if a family could afford a market-priced home, escalating energy costs make it financially unsustainable in the longer term.

Additionally, the median income across the area is only \$55,300, and more than 16 percent of families live at levels below the poverty line. Amongst single-parent families, more than 32 percent live below the poverty line. The median age is 40-45 years. Elderly individuals with a disability make up 39 percent of the population.

Homelessness remains a reality for a considerable number of individuals and families in the County of Hawaii, and has been increasing at a rate of 6 percent per year. In some areas, financial hardship is compounded by the need to commute long distances from home to access employment. In the most rural areas, almost 20 percent of the dwellings listed by the Community Development Corporation in a recent survey consist of tents, yurts, lava tubes and cargo containers.

No previous construction experience is necessary, you need only to bring a positive attitude, a fun loving generous spirit and sturdy pair of boots! Age 18 is the minimum age, but as long as you can carry, nail, sweep or hold, there is no maximum age limit.

Location: Kailua-Kona, HI (Fly into Kailua-Kona Airport (KOA))

Trip Dates: September 27 – October 5 (Saturday through following Sunday)

Team Size: 12

Program Cost: \$1910 plus airfare. The cost covers room, board and a donation toward the actual homes.

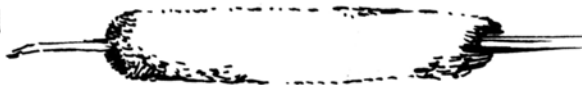

The team will be led by Janet Miller from the Villages of Forest Ridge, Dayton, Ohio. While stationed in Hawaii during her USAF active duty service, Janet completed a Master of Arts degree in Economics with her thesis being "The Economic Plight of Native Hawaiians," so she is compassionately aware of the financial situation of residents of Hawaii. Janet has participated on two Global Village trips – Portugal in April 2013 and Malawi in April 2014.

For more information, contact Janet at 237-9418 or email janetoptimist@aol.com. You can also visit the Habitat website at <http://www.habitat.org/gv/trip/GV15028>.

WEED BOUQUETS

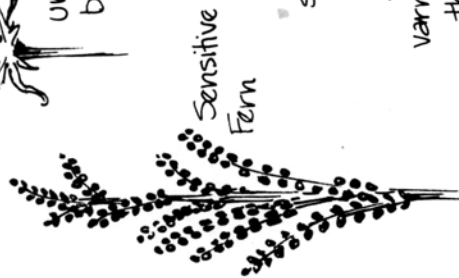

Teasel:
Look for the egg-shaped flower head.
Teasel is a common plant in winter weed bouquets and is sometimes sold separately.

Cattail:
Also occasionally sold singly in roadside stands. Pick them for free from any marsh.

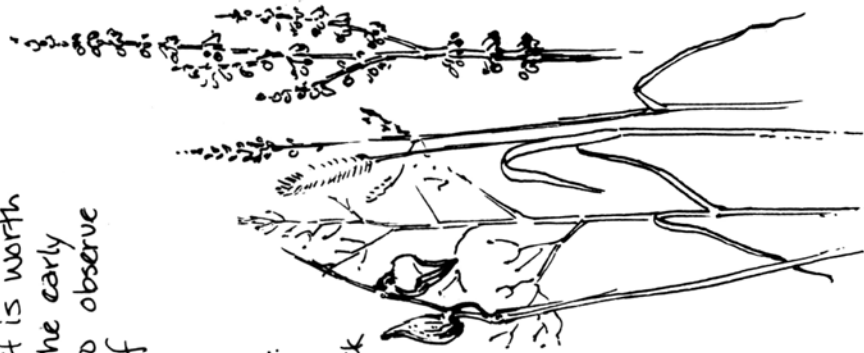

Queen Anne's lace:
Spreading like a bird's nest.

Sensitive Fern

If you collect the weed stalks, you can arrange them in a vase or jug. A light coat of spray varnish will help preserve them through the winter.

Dock (far right):
Like milkweed and grasses, dock is commonly used in flower arrangements.

From The OHIO BMV Motor Scooter Information

REMINDER OF OHIO'S MOTOR SCOOTER LAWS

Motor scooters and mini-motorcycles have become hot items among children and teenagers.

Parents, grandparents and other family members are spending their hard earned money to purchase scooters and mini-motorcycles – just to find out that most cannot be operated on Ohio's roads and their children - or grandchildren cannot legally operate the vehicle.

In Ohio, the motor scooters and mini-motorcycles cannot be legally operated on Ohio's roadways unless - they are titled, registered, covered by the proper insurance and the operator is at least 16 years old with a motorcycle license or endorsement on his or her driver license.

Most of the small electric and gas powered motor scooters, which are sold in sporting good stores and department stores, are not roadworthy, therefore cannot be titled or registered.

In order for the scooter or the mini-motorcycle to be considered roadworthy each must contain a seat, not more than three wheels in contact with the ground, contain the proper brake lights, turn signals, horn, rearview mirrors and headlights.

The county title office will then issue a title for your motor scooter or mini-motorcycle. The title will cost \$5.

After you purchase your title, you will need to register your vehicle. The annual registration costs \$28.50, plus a permissive tax if required and any new plate fees.

The motor scooter and mini-motorcycle will be issued a motorcycle plate, which will need to be attached to the vehicle.

Please make sure you have the proper insurance coverage on your motor scooter or mini-motorcycle, before registering your vehicle. The owner and the operator of the motor scooter or mini-motorcycle are subject to financial responsibility suspensions if the proper insurance is not maintained.

And finally, in order for the individual to legally operate the motor scooter or mini-motorcycle – he or she must be at least 16 years old and hold a valid driver license with a motorcycle endorsement or a motorcycle license. It is very important to know Ohio's road laws and signs before an individual attempts to operate a vehicle of any kind on Ohio's roadways. Licensed drivers have been tested on their knowledge and skills.

Please, know the law before you purchase a motor scooter or a mini-motorcycle. Know where they may be operated and who can operate them. If you have questions you may contact the BMV at 614-752-7800 and you also need to check with your local jurisdiction before you make the purchase.

It's about your safety, your children's safety and other drivers' safety.

Forest Ridge Alert

The Forest Ridge pool has been only open one day and wallets and phones have stolen from unlocked vehicles in the parking lot. Please take responsibility for your property. Use good common sense by locking your valuables in the trunk or leave them at home when going somewhere they are not needed.

Also at the pool parking lot, a window was broken out of a locked car to steal a purse that was on the seat. Take your valuables with you, or lock them in the trunk. Don't leave them in plain sight. It's an invitation for trouble. This car was unattended for just a few minutes. Thieves don't waste their time, it doesn't take them long to smash and grab.

Volunteer Picnic

Have you volunteered your time with the Forest Ridge Association? This year, on August 10th the Forest Ridge Association will host their annual Volunteer Appreciation Picnic.

If you have volunteered your time to the Ridge, please contact Jennifer Kelley at 232-3430, so she can get your contact information. You will receive an invitation.

Graduation Parties

It's graduation time. There will be many graduation parties in the near future as your neighbors celebrate this happy milestone in the lives of their children. Please be tolerant of the cars and excitement. If you are the one with the graduation, please be considerate of your neighbors.

Music at the Gazebo

We are excited to announce three nights of music at the gazebo. Mark your calendar and plan to bring a blanket or lawn chair and enjoy some wonderful music in your own neighborhood.
