# Habitat for Humanity – Global Village Volunteer Opportunity

Spend a week on the Big Island of Hawaii making a positive impact in the life of a family in Kailua-Kona. While the beautiful scenery and perfect climate are easy to notice, those living in Hawaii have many barriers to maintaining a decent standard of living because Hawaii has one of the highest costs of living in the country. The median house price in West Hawaii is \$275,000, which is not affordable to most of the local workforce. Moreover, even if a family could afford a market-priced home, escalating energy costs make it financially unsustainable in the longer term.

Additionally, the median income across the area is only \$55,300, and more than 16 percent of families live at levels below the poverty line. Amongst single-parent families, more than 32 percent live below the poverty line. The median age is 40-45 years. Elderly individuals with a disability make up 39 percent of the population.

Homelessness remains a reality for a considerable number of individuals and families in the County of Hawaii, and has been increasing at a rate of 6 percent per year. In some areas, financial hardship is compounded by the need to commute long distances from home to access employment. In the most rural areas, almost 20 percent of the dwellings listed by the Community Development Corporation in a recent survey consist of tents, yurts, lava tubes and cargo containers.

No previous construction experience is necessary, you need only to bring a positive attitude, a fun loving generous spirit and sturdy pair of boots! Age 18 is the minimum age, but as long as you can carry, nail, sweep or hold, there is no maximum age limit.

Location: Kailua-Kona, HI (Fly into Kailua-Kona Airport (KOA))

Trip Dates: September 27 – October 5 (Saturday through following Sunday)

Team Size: 12

Program Cost: \$1910 plus airfare. The cost covers room, board and a donation toward the actual homes.

The team will be led by Janet Miller from the Villages of Forest Ridge, Dayton, Ohio. While stationed in Hawaii during her USAF active duty service, Janet completed a Master of Arts degree in Economics with her thesis being "The Economic Plight of Native Hawaiians," so she is compassionately aware of the financial situation of residents of Hawaii. Janet has participated on two Global Village trips – Portugal in April 2013 and Malawi in April 2014.

- The team travels to 4 local pools each summer, including the Dayton Raiders Aquatic Club.
- Swimmers participate throughout the season in pool parties, fundraisers and special events like our ice cream social/tie-dye t-shirt night.
- Fundraisers include a concessions stand at every home meet, the July 4<sup>th</sup> pool party and the End-of-Summer pool party. ***The Swim-a-thon*** is our major fundraising event.

## REMINDER OF OHIO'S MOTOR SCOOTER LAWS

Motor scooters and mini-motorcycles have become hot items among children and teenagers.

Parents, grandparents and other family members are spending their hard earned money to purchase scooters and mini-motorcycles – just to find out that most cannot be operated on Ohio's roads and their children - or grandchildren cannot legally operate the vehicle.

In Ohio, the motor scooters and mini-motorcycles cannot be legally operated on Ohio's roadways unless - they are titled, registered, covered by the proper insurance and the operator is at least 16 years old with a motorcycle license or endorsement on his or her driver license.

Most of the small electric and gas powered motor scooters, which are sold in sporting good stores and department stores, are not roadworthy, therefore cannot be titled or registered.

In order for the scooter or the mini-motorcycle to be considered roadworthy each must contain a seat, not more than three wheels in contact with the ground, contain the proper brake lights, turn signals, horn, rearview mirrors and headlights.

The county title office will then issue a title for your motor scooter or mini-motorcycle. The title will cost \$5.

After you purchase your title, you will need to register your vehicle. The annual registration costs \$28.50, plus a permissive tax if required and any new plate fees.

The motor scooter and mini-motorcycle will be issued a motorcycle plate, which will need to be attached to the vehicle.

Please make sure you have the proper insurance coverage on your motor scooter or mini-motorcycle, before registering your vehicle. The owner and the operator of the motor scooter or mini-motorcycle are subject to financial responsibility suspensions if the proper insurance is not maintained.

And finally, in order for the individual to legally operate the motor scooter or mini-motorcycle – he or she must be at least 16 years old and hold a valid driver license with a motorcycle endorsement or a motorcycle license. It is very important to know Ohio's road laws and signs before an individual attempts to operate a vehicle of any kind on Ohio's roadways. Licensed drivers have been tested on their knowledge and skills.

Please, know the law before you purchase a motor scooter or a mini-motorcycle. Know where they may be operated and who can operate them. If you have questions you may contact the BMV at 614-752-7800 and you also need to check with your local jurisdiction before you make the purchase.

It's about your safety, your children's safety and other drivers' safety.
