Attention Renters:

If you have moved in during the year, you have the opportunity to receive a welcome packet. This packet has lots of useful information in it which can help you get your "bearings" a little sooner, and with less effort. When a house is sold, we can easily find out who is there and when they got there. When a rental property has new tenants, it is much more difficult for the Welcome Committee to get that information. New to the area? Need information? Call Jennifer Kelley at 232-3430. We are in the process of updating the packets. If you have questions please call!

Unsightly House Near You?

Do you have an unsightly house near you?

Recently the trustees have received phone calls regarding properties that have unmowed lawns, weeds and trash in the yards. These concerns should be addressed to either the Code Enforcement Office for the City of Dayton at 333-3977 or the Zoning Enforcement Officer for Riverside at 233-1801.

The By-laws for the Forest Ridge Association do not authorize us to require home owners to mow or weed their lawns.

From The OHIO BMV Motor Scooter Information

REMINDER OF OHIO'S MOTOR SCOOTER LAWS

Motor scooters and mini-motorcycles have become hot items among children and teenagers.

Parents, grandparents and other family members are spending their hard earned money to purchase scooters and mini-motorcycles – just to find out that most cannot be operated on Ohio's roads and their children - or grandchildren cannot legally operate the vehicle.

In Ohio, the motor scooters and mini-motorcycles cannot be legally operated on Ohio's roadways unless - they are titled, registered, covered by the proper insurance and the operator is at least 16 years old with a motorcycle license or endorsement on his or her driver license.

Most of the small electric and gas powered motor scooters, which are sold in sporting good stores and department stores, are not roadworthy, therefore cannot be titled or registered.

In order for the scooter or the mini-motorcycle to be considered roadworthy each must contain a seat, not more than three wheels in contact with the ground, contain the proper brake lights, turn signals, horn, rearview mirrors and headlights.

The county title office will then issue a title for your motor scooter or mini-motorcycle. The title will cost \$5.

After you purchase your title, you will need to register your vehicle. The annual registration costs \$28.50, plus a permissive tax if required and any new plate fees.

The motor scooter and mini-motorcycle will be issued a motorcycle plate, which will need to be attached to the vehicle.

Please make sure you have the proper insurance coverage on your motor scooter or mini-motorcycle, before registering your vehicle. The owner and the operator of the motor scooter or mini-motorcycle are subject to financial responsibility suspensions if the proper insurance is not maintained.

And finally, in order for the individual to legally operate the motor scooter or mini-motorcycle – he or she must be at least 16 years old and hold a valid driver license with a motorcycle endorsement or a motorcycle license. It is very important to know Ohio's road laws and signs before an individual attempts to operate a vehicle of any kind on Ohio's roadways. Licensed drivers have been tested on their knowledge and skills.

Please, know the law before you purchase a motor scooter or a mini-motorcycle. Know where they may be operated and who can operate them. If you have questions you may contact the BMV at 614-752-7800 and you also need to check with your local jurisdiction before you make the purchase.

It's about your safety, your children's safety and other drivers' safety.

What Benefits Will The City of Dayton Waste Collection Service Provide?

- 1. Enhanced Service Level** – Weekly waste and recycle collection will be provided. In addition free bi-weekly “Bulk Waste” collection will now be available on a pre-scheduled basis (please see more information later in this brochure). Plus, City of Dayton waste collection service **operates every business day and every holiday except Christmas Day.**
- 2. Uniformity** – All Riverside residents will be on the same system, which makes trash collection easier and improves the appearance of your neighborhood.

How Will the New Waste Collection Program Work?

Weekly waste collection, recycling and bi-weekly pre-schedule bulk waste services will be provided to homes between the hours of 7:00 a.m. to 5:00 p.m., Monday thru Friday.

Your Waste Collection Day Is...

Friday

Guidelines for Setting Out Your Container on Collection Day

- 1.** Keep your containers or trash bags away from parked cars and other obstacles.
- 2.** Put your waste containers or trash bags and recycler bins out by 7:00 a.m. on your scheduled collection day.
- 3.** Do not put loose trash in your waste containers or boxes. Please wrap or bag all trash first then place in your waste containers or boxes.
- 4.** Do not overfill your waste container, trash bags or recycling bins; this will help keep your neighborhood clean.
- 5.** Yard waste (brush, hedges, tree limbs, etc.) must be tied into bundles not larger than 4 feet long and 18 inches in diameter. Bundles are limited to 25 pounds each.

- 6.** Recyclable means glass, aluminum, tin, plastic (#1 through #7), newspaper, magazine, cardboard, or other material determined by the City.

How Do I Schedule a “Bulk” Waste Pick-Up?

- 1.** Bulk waste pick-ups **must be scheduled in advance** by calling (937) 333-4800. Please call between the hours of 7:00 a.m. and 5:00 p.m., Monday through Friday.
- 2.** Bulk waste items should be set out by 7:00 a.m. on the pre-scheduled collection day.
- 3.** One pick-up equals material totaling 4ft x 8ft x 4ft. in size. Please have your bulk waste ready for pick up on the scheduled date.
- 4.** You must separate your metal items (stoves, refrigerators, etc.) from other bulk items. Remember to remove refrigerator doors.
- 5.** All loose and small items must be securely contained, bundled or bagged for easy pick-up.
- 6.** Sorry, crews cannot pick up concrete, rocks, brick blocks, sand, gravel, demolition materials, or hazardous waste.

Garbage and recycling are not collected on holidays.

On weeks containing a holiday, waste collection service will be moved back one day following the holiday. For example, if your waste collection day is typically on Monday, but that day is a holiday, your garbage will be collected on Tuesday; Tuesday's normal collection will then move to Wednesday, and so on, through Friday. Holidays include New Year's Day; Martin Luther King Day; Good Friday; Memorial Day; Independence Day; Labor Day; Thanksgiving Day; Christmas Day.

Forest Ridge Soccer Policies

Equipment and Jewelry Policy: Equipment falls into three categories: required, optional, prohibited.

Required: Players are required to wear the following equipment for soccer: shoes, socks, shin-guards, shorts, and shirt. Cleats are strongly recommended. Shin-guards must be completely covered by the socks. No gear may have sharp edges.

Optional: In cold weather - sweatpants, sweatshirts, jackets (<-all these should be worn under the uniform), gloves/mittens, and soft hats/ear-muffs are permissible. Eye-glasses for visual acuity are allowed, but it is recommended to use ones designed for sports to reduce the risk of cuts from frames or glass due to impacts with players or the ball.

Prohibited: All other extraneous gear is specifically prohibited under the rules of youth soccer. This includes all jewelry. It is not permitted to simply wrap/pad jewelry. Jewelry includes rings, watches, bracelets, wristbands, necklaces, ear-rings, body piercings, etc.

Jewelry Exceptions: Medical alert (bracelet/necklace) or a religious symbol (necklace) may be worn if wrapped (bracelet/necklace) and secured inside the shirt (necklace).

Note: If you have a recent piercing (6 weeks) that should not be removed (to prevent the hole from closing), you will NOT be permitted to play with the jewelry carefully wrapped to cover all sharp edges. Jewelry must be removed if you intend to play. Please, please, please, DO NOT GET A PIERCING BEFORE OR DURING SOCCER SEASON. If you cannot or choose not to remove it, you will not be allowed to play.

Weather Policy: Soccer is played in the rain. We will play/practice in dry conditions down to 35°F, and wet to 45°F. In hot weather, please be sure you have sufficient water. Soccer is NOT played with lightning/thunder. If lightning is seen or thunder is heard, players will be asked to clear the field and take appropriate shelter. The soccer bridge is NOT a shelter (you can be struck by lightning under a tree such as those present at the bridge). Inside a vehicle IS shelter. Play may not resume for a minimum of 20 minutes from the last occurrence of lightning/thunder.
