Board of Trustees Regular Meeting
February 20, 2017

Trustees Present: Chris Hummer, Elizabeth Burke, Jake Bontatibus, Lacey Soriero, Sue Hanley, Mike Milisits, Carol Wallace, and Shelton Monger

Trustees Absent: Greg Herman

Chris Hummer called the meeting to order at 7:00 p.m.

Police Report: Officer Toscani, from the City of Riverside, presented crime statistics for the past month. He noted the one heroin overdose as outside of the norm. He also said telephone fraud complaints are on the rise. Finally, he discussed the possibility of a community event to meet the police. Officer Toscani is going to work with Jake Bontatibus and the activities committee to help plan the event.

Officer Rudy from the City of Dayton presented the crime statistics for the past month. He said the activity was made up of: 3 shoplifting, 1 theft, 1 fraud, 1 drug paraphernalia, 1 larceny, and 1 other offense. A resident discussed an issue with a stop sign on Amberwood and having people run the stop sign at high speeds.

Minutes: Shelton Monger moved to accept the minutes as corrected. Elizabeth Burke seconded.

Vote 8-0

Open Forum for Association Members: Rick Schaub was present to ask questions about where funds were being spent and what efforts were being made to improve the recreation.

Treasurer: Dan Freeman, Treasurer reported that the General Fund balance is \$68,237.79. Replacement reserve balance is \$67,815.95. We received 316 full and 8 partial assessments in January (\$72,336.00), and we've received 222 full and 3 partial assessments so far this month (\$50,594.00); so there are 583 full and 3 partial assessments still open (\$132,620.00). This compares to 589 assessments (\$131,686.00) still open at the same time in 2016.

Chris Hummer made a motion to approve the treasurer's reports from January 2017 and February 2017. Lacey Soriero seconded the motion.

Vote 8-0

Assets and Maintenance: Chris Hummer discussed the state of getting quotes for the shed repair including the restroom. Jake Bontatibus is going to get new quotes. Chris also discussed the reserve study and the need to look at the condition of the associations' assets.

Bylaws: Shelton Monger discussed the status of the activities of the bylaws committee. He said they have made many changes so that the bylaws will work better for the modern organization. The current changes are out to the committee for review. Any updated changes will be incorporated and presented to the board. Once the board approves changes, he will work with the attorney. After the attorney approves, the bylaws will be available to the community and the board will work to get people at the semi-annual meeting in the fall for community approval.

Activities: Jake Bontatibus and Lacey Soriero discussed the upcoming planning meeting and some of the ideas they are working on.

Greens Areas: Mike Milisits reported that he is going to get new quotes for tree removal. He is also working on the trail maps for the area. He also discussed the possibility of removing lights, and he is working on a map.

Chris Tooley, Green Area Manager, submitted the following report:

Projects this month:

- Picked up trash
- Picked up storm/wind debris
- Cut down 6 trees at Bid Good Area

Chris Hummer asked about reducing some of the mowing area to save money, but others on the board said it has been tried in the past with issues.

Pool and Outdoor Recreation: Ellie Monger, Pool Area Manager, said she has started contacting guards from previous years. She has a good idea of who is coming back now. She said she has four open positions. She is also going to start working on clean-up due to the nice weather.

Ellie also discussed the last efforts that are going on to get swim team volunteers. The Green Areas team is going to be mowing the pool area.

Chris Hummer asked Shelton about the epoxy of the tile in the pool. He is waiting on a response from one vendor.

Social Media and Publicity: Greg Herman was not present, but submitted the Facebook 1,124 Likes and 807 neighbors on Nextdoor.com.

Old Business: No old business.

New Business: Jake Bontatibus discussed the possibility of allowing renters to pay "current year" dues in order to use the pool when owners are in arrears. The group tabled the discussion for a later date to gather additional information.

Chris Hummer presented 3 quotes for the reserve study. He said one was too high, but the other two were within a few hundred dollars of each other. He said the studies would provide a qualitative assessment of all the facilities and when they would need to be replaced along with a financial plan for replacement. Jake Bontatibus made a motion to employ Miller Dodson for \$3,670. Carol Wallace seconded.

Vote 8-0

Adjournment- Mike Millisets moved to adjourn the meeting. Lacey Soriero seconded.
