Trustees Present: Sue Hanley, Jennifer Kelley, Roberta Havholm, Jesse Morgan, Greg Herman, Duane Veley, Maria Ford, and Shelton Monger

Trustees Absent: Chuck Evanhoe

Jennifer Kelley called the meeting to order at 7:32 p.m.

Police Report: Officers Williams and Reed were present from the Dayton Police Department and reported on activity for the past month. Officer Williams reported that there were 5 thefts from building, and 6 shoplifting. He said otherwise things look good in the area. Officer Reed suggested that residents do not give money to a gentleman with a red gas can in the Kroger parking lot.

Sue Hanley asked if all police reports come in the weekly report. The weekly reports only include key/major incidents. Officer Reed suggested going to cityofdayton.org to make police reports online instead of waiting for a uniformed officer for minor incidents. Officer Williams said that they have a very low staff compared to previous years and they expect increase strain on staff. The board expressed concerns with running stop signs. Officer Reed mentioned the change in shifts for the department to four ten hour days.

Officer Treon was present from Riverside the Riverside Police Department and reported on activity for the past two months. He reported 1 alarm, 2 thefts, 6 traffic stops, and a gun shot into a house in February. There have been no updates to the gun shot case. He said from everything he knows it was a random event, and there is no reason to believe it will happen again. He reported 23 traffic stops in March (18 citations). He said the department is going to keep up the traffic stops as much as possible until they see a decrease in activity. He also reported 6 false residential alarms, 1 criminal damage to a vehicle. He suggested that more issues with vehicles might be happening soon due to the warmer weather. He urged residents to report thefts to the police even if they don't report it to insurance so that the department can watch patterns. The board commented on the quality of the police report provided by Riverside.

A resident asked about a noise ordinance in Riverside. Officer Treon said that if you can hear the sound beyond 50 feet, then they are in violation.

Visitors: The following visitors were present: Krista Milisits, Michael Milisits, Elizabeth Hummer, Charlotte Bower and Art Guy.

Northeast Priority Board: No report.

Minutes: Greg Herman moved that the March 16, 2015 meeting minutes be accepted with corrections. Shelton Monger seconded.

We received 26 full and 1 partial assessments (\$5,874.00) in March, and we've received 38 full so far this month (\$8,687.00); so there are 142 full and 7 partial assessments still open (\$32,544.00). Volunteer Picnic

Have you volunteered your time with the Forest Ridge Association? This year, on August 9th the Forest Ridge Association will host their annual Volunteer Appreciation Picnic.

If you have volunteered your time to the Ridge, please contact Jennifer Kelley at 232-3430, so she can get your contact information. You will receive an invitation.

Attention Renters:

If you have moved in during the year, you have the opportunity to receive a welcome packet. This packet has lots of useful information in it which can help you get your "bearings" a little sooner, and with less effort. When a house is sold, we can easily find out who is there and when they got there. When a rental property has new tenants, it is much more difficult for the Welcome Committee to get that information. New to the area? Need information? Call Jennifer Kelley at 232-3430. We are in the process of updating the packets. If you have questions please call!

Unsightly House Near You?

Do you have an unsightly house near you?

Recently the trustees have received phone calls regarding properties that have unmowed lawns, weeds and trash in the yards. These concerns should be addressed to either the Code Enforcement Office for the City of Dayton at 333-3977 or the Zoning Enforcement Officer for Riverside at 233-1801.

The By-laws for the Forest Ridge Association do not authorize us to require home owners to mow or weed their lawns.

From The OHIO BMV Motor Scooter Information

REMINDER OF OHIO'S MOTOR SCOOTER LAWS

Motor scooters and mini-motorcycles have become hot items among children and teenagers.

Parents, grandparents and other family members are spending their hard earned money to purchase scooters and mini-motorcycles – just to find out that most cannot be operated on Ohio's roads and their children - or grandchildren cannot legally operate the vehicle.

In Ohio, the motor scooters and mini-motorcycles cannot be legally operated on Ohio's roadways unless - they are titled, registered, covered by the proper insurance and the operator is at least 16 years old with a motorcycle license or endorsement on his or her driver license.

Most of the small electric and gas powered motor scooters, which are sold in sporting good stores and department stores, are not roadworthy, therefore cannot be titled or registered.

In order for the scooter or the mini-motorcycle to be considered roadworthy each must contain a seat, not more than three wheels in contact with the ground, contain the proper brake lights, turn signals, horn, rearview mirrors and headlights.

The county title office will then issue a title for your motor scooter or mini-motorcycle. The title will cost \$5.

After you purchase your title, you will need to register your vehicle. The annual registration costs \$28.50, plus a permissive tax if required and any new plate fees.

The motor scooter and mini-motorcycle will be issued a motorcycle plate, which will need to be attached to the vehicle.

Please make sure you have the proper insurance coverage on your motor scooter or mini-motorcycle, before registering your vehicle. The owner and the operator of the motor scooter or mini-motorcycle are subject to financial responsibility suspensions if the proper insurance is not maintained.

And finally, in order for the individual to legally operate the motor scooter or mini-motorcycle – he or she must be at least 16 years old and hold a valid driver license with a motorcycle endorsement or a motorcycle license. It is very important to know Ohio's road laws and signs before an individual attempts to operate a vehicle of any kind on Ohio's roadways. Licensed drivers have been tested on their knowledge and skills.

Please, know the law before you purchase a motor scooter or a mini-motorcycle. Know where they may be operated and who can operate them. If you have questions you may contact the BMV at 614-752-7800 and you also need to check with your local jurisdiction before you make the purchase.

It's about your safety, your children's safety and other drivers' safety.

Aaron Gillespie, Forest Ridge resident, receives a National Achievement Scholarship®.

Published in the Huber Heights Courier, April 21, 2015.

EVANSTON, Ill. —Recently, the National Merit Scholarship Corporation announced the names of approximately 800 outstanding Black American high school seniors who have won Achievement Scholarship® awards through the National Achievement Scholarship Program. Aaron B. Gillespie, of Dayton (45424), a senior at Stebbins High School, is a recipient of a \$2500 National Achievement Scholarship.

The 800 scholarship winners were chosen from a group of 1,300 finalists out of approximately 160,000 high school juniors who took the PSAT and requested consideration in the 2015 National Achievement Scholarship Program.

Gillespie has a 4.2 GPA, is fifth in his class, and scored a 35 on the ACT. He is a member of the Society of Academic Excellence and the Tri-M National Music Honor Society, is President of the Calculus Club, and is a four-year member of the Stebbins High School orchestra, marching band, and jazz band, and plays with the Dayton Philharmonic Youth Orchestra.

Last summer he was one of 100 students out of an international pool of applicants selected to attend the University of Notre Dame's Pre-College Leadership Seminar, and was selected as a Faison Scholar by the University of Pittsburgh last December.

He has chosen to attend Columbia University next fall, while also considering offers from Duke University, Johns Hopkins University, the University of Notre Dame, the University of Chicago, and the University of Pittsburgh. He plans to study Socio-cultural Anthropology and Data Analytics.

Delinquent Assessments as of May 29, 2015. These have at least a two year balance.
