

TRASH COLLECTION

Effective January 1, 2016, Republic Services will be your new trash and recycling provider. Your collection day will remain the same as when the City of Dayton collected. Service will start on January 2 for those customers that have Friday collection. Service for the first year will be \$12.64 per month. Your first invoice will be mailed out the week of December 14, 2015 for the first quarter of 2016. Thereafter, property owners will receive quarterly invoices. The invoicing process will be new for 2016 as Riverside customers were previously billed via a property tax assessment. To prevent a discontinuation of service, please pay close attention to your invoices from Republic Services.

As it was with Dayton Waste Collection, Republic will continue to provide the following service:

- ▶ Weekly curbside trash collection: you may use your own trash container or cart (not to exceed 75 pounds).
- ▶ Cart Rental: Republic Services will rental a 35, 65 or 95 gallon trash cart for a fee of \$2.00 per month.
- ▶ Weekly Recycling collection: Republic Services will provide a 35, 65 or 95 gallon recycling cart for free.
- ▶ Bulk waste collection: call 1-800-543-1339 to schedule.
- ▶ Weekly yard waste collection: Include in bags or containers with normal trash.
