Articles & Et Cetera: Friday, July 29, 2016

Trustees Present: Jennifer Kelley, Shelton Monger, Greg Herman, Jesse Morgan, Jake Bontatibus, Lacey Soriero, Sue Hanley, Carol Wallace, and Maria Ford
Jennifer Kelley called the meeting to order at 7:32 p.m.

Police Report: Officer Anderson was present from the Riverside Police department. He did not have statistics for the previous month.

Visitors: The following visitors were present: Mike Fry, Debbie Kessler, Denny Charek, Ty Tyson, Terry Chandler, Mike Pflieger, Bill Tocci, Renee Morgan, Thomas Weimon, Rick Schaub, Chris Hummer, Krystyn Funner, and Scott Huddle.

New Business:

Rick Schaub was present to discuss several issues. He discussed the way the green areas were managed in the past. He talked about his efforts to start volunteer crews. He talked about several issues he sees with how we don't have enough money to do maintenance, and a volunteer crew could alleviate some of that stress on the budget. He also presented some equipment and consumables that he purchased and would like to use in the volunteer work. He talked about the need to repair the asphalt basketball court and backboards. He also talked about the tennis courts and the repairs needed there. Denny Charek was present to discuss the issues with the tennis courts. He said the Willow Branch court has only 5 major cracks. He thinks just filling in the cracks will keep the court for a few more years. He said the substrate on the other court is bad and is deteriorating quickly. Sue Hanley said she remembers that they decided to focus on the Willow Branch court. Denny Charek said that it would cost about \$20,000 to replace the court. Kristyn Funner said that she noticed the gate at Willow Branch was closed and padlocked during the day. Greg Herman said that the padlock is not locked, it is just that way to deter non-residents.

Shelton Monger said that there has been a lot of vandalism at the pool tennis courts. Chris Hummer suggested improving security. He also suggested making the agenda available to residents prior to the meeting. He also suggested having a reserve study by a professional reserve analyst.

Grant Writing: Lacey Soriero and Kristyn Funner discussed a grant writing seminar they went to and shared the information they learn. They discussed using a grant to replace playgrounds. They mentioned the various requirements to get the grant money. One of the requirements may be to get a fiscal agent since we are not a charitable organization. Another requirement is that it needs to be in the City of Dayton. Another requirement would be having volunteers from the association performing work on the playground. The board expressed their appreciation to Lacey and Kristen.

Greg Herman made a motion to allow Kristyn and Lacey to apply for a grant with the City of Dayton to update the playground. Jake Bontatibus seconded.

Vote 9-0

Minutes: Maria Ford moved that the March 21, 2016 meeting minutes be accepted as corrected. Shelton Monger seconded.

Vote 9-0

Treasurer: Dan Freeman, Treasurer, reported that the General Fund balance is \$187,099.88. Replacement reserve balance is \$77,793.99. We received 27 full and 1 partial assessment (\$6,098.00) in March, and we've received 18 full and 1 partial so far this month (\$4,057.00); so there are 142 full and 2 partial assessments still open (\$32,106.00). This compares to 147 assessments (\$32,096.00) still open at the same time in 2015.

Jennifer Kelley moved that the April 18, 2016 Treasurer's report be accepted as submitted. Maria Ford seconded.

Vote 9-0

Murmurs: Jennifer Kelley discussed the report submitted by Roberta Havholm for the Murmurs. The theme will be Spring. The pertinent articles will include Fighting Fish, Pool Rules, Call for Graduates, Pool Calendar, and the FRA Garage Sale. It will be delivered the weekend of May 6. It will be printed on buff colored paper. The article deadline is April 29, 2016. Chris Hummer suggested asking residents to opt-out of hardcopy Murmurs. Jennifer Kelley said she was working how to do that.

Communications: Jennifer Kelley said she has two packets to deliver.

Website: Greg Herman reported on the websites. He said the NextDoor site has been running for a year and a half, but lately there has been quite a bit of negativity. This has

led to some suggested policy changes below:

- Any post attacking another resident will not be tolerated and will be deleted
- The Forest Ridge Association Discussion Group is for posts related to the association. Suggestions, comments, criticism, questions or discussions about the association, its property, employees, policies, or the board of trustees must be posted in this group only. Posts of this nature to the general feed will be deleted
- Posts asking questions or giving suggestions of the FRA will be brought to the board by me.

Greg Herman will be inviting Chris Tooley to join as an employee. Anyone making threats will be removed from the Nextdoor site.

He stated that 549 neighbors had signed up for nextdoor.com. The Forest Ridge Facebook page had 1027 likes.

Activities Committee: Jake Bontatibus discussed his idea having a food truck event in conjunction with the garage sale. Unfortunately, the date available for the food truck rally is not the date of the garage sale. The garage sale is scheduled for May 21st and the food truck rally is scheduled for May 28th.

He discussed several new ideas. One was the possibility of a community BBQ event in or around August. Another idea was a sports day.

Carol Wallace asked if the BBQ event could be in conjunction with a pool party. Ellie Monger said that that would be a good idea. The group agreed to coordinate.

Chris Hummer asked if all events would be posted in social media. Jake Bontatibus said that the events he mentioned would be posted, but they do not have a full list as of yet. Chris Hummer thanked Jake for his efforts.

Pool: Ellie Monger said that she is in the process of opening the pool and she is working through her list. She has hired all her guards for the year.

Jake Bontatibus asked about having Lacey paint a mural on the bottom of the baby pool.

Kristyn Funner asked about securing the second gate. Shelton said they would work to ensure it was secured.

Pool and Outdoor Recreation Committee: Shelton Monger discussed the need to repair the pool pumps. He also discussed the repairing of the chlorinators.

Swim Team: Debbie Kessler was present to discuss the swim team. She said the coaches from last year are returning. She said they have fundraisers for the team and improvements. She also mentioned the new PA system that they purchased and that is approved to be installed into the pool area.

Soccer: Jesse Morgan said they had about 50 kids in the Spring soccer program. He said they had three new coaches also.

- Fix John Deere
- Fix push mower
- Fix wood chipper

Recommendations:

- Buy new mower
- Buy new garden tractor
- Buy new edger attachment for trimmer

Jake Bontatibus discussed the need to replace the grasshopper mower, and that they did know it would need to be replaced soon as it was discussed 2 years ago. Jake asked if he would get a discount by purchasing the garden tractor and mower. Chris said the retailer may offer a discount. Sue Hanley asked if he could provide 3 estimates for each piece of equipment and send them to the board for approval prior to the next meeting.

Sue Hanley asked what the low gray building near the pool area driveway was for. No one was sure, and Carol Wallace volunteered to into the use and ownership of this structure.

Mr. Hummer asked about bagging the clippings around the pool. Ellie Monger said that they would be doing that.

Asset Management Committee: Jennifer Kelley said the committee had a meeting and has captured many of the items that Mr. Schaub had discussed. She said they have a lot of notes including asset inventory. She said the committee will try to be more communicative with residents by providing more information in social media and the Murmurs. She said she appreciated the residents and discussions that have happened online and that it has prompted some good results.

Carol Wallace reiterated Jennifer's discussion and mentioned that she is working to help improve communication as well.

Denny Carek said that the trash pickup volunteers would be meeting again on Saturday. Chris said the dumpster is currently full and should be emptied soon. He is going to contact Waste Management to see if they are going to pickup soon.

Old Business: Jennifer Kelley said that there were issues opening a new checking account due to the lapse in the corporation status. Dan is going to look into reinstating the corporation status. Jennifer Kelley said they will be working to figure out if Paypal will work for the swim team or another method instead of opening a new account.

Bill Tocci said that he has 20 beds this year in the community garden. He said they would be starting the beds on May 1.

Scott Huddle said that he was happy to hear there have been controls placed on the social media. He also said he appreciates the volunteer work of residents and the board. He said he wanted the board to know that they are appreciated. He also was encouraged by Chris Hummer's idea of reserve planning and suggested a 15-year plan as a starting point. The Memorial Dedication Ceremony for Bob Gray

Bob Gray was dedicated and passionate about Forest Ridge. Over the years, he had worked with about every committee in the FRA during his tenure on the board (from September 1999 to January 2015).

After his passing, the Board of Trustees decided that, due to his dedication and service to the community, it was only fitting to have a memorial stone and plaque made in his memory. After careful consideration, the Board of Trustees decided to have this memorial in a prominent location for our late President. The gazebo area's beauty and charm represent our neighborhood well and is a perfect place to honor Bob for his service.

Volunteer Picnic

Have you volunteered your time with the Forest Ridge Association? This year, on August 7th the Forest Ridge Association will host their annual Volunteer Appreciation Picnic.

If you have volunteered your time to the Ridge, please contact Jennifer Kelley at 232-3430, so she can get your contact information. You will receive an invitation.

Food Truck Rally!

I'd like to thank several people for helping out with the food truck rally. As I've said before without these folks none of these events are possible. These really are the people who make this neighborhood such a great place to live. First off, as always thank you Chris Tooley. Folks, this guy and his team are pure gold. I couldn't do anything without his support. Thanks Chris. Next up is Lacey Soriero. Lacey hates the spotlight, but I keep trying to shine it on her as much as possible. Her artistic talents keep us from looking like a bunch of rank bumbling amateurs. Thank you Lacey for all you do for us. Ellie, thank you for all the support and the last second assistance your folks helped me out with. Greg Herman, thank you for the huge IT assist on our social media efforts. Without your help there's no way the word gets out to so many people. And to my wife Amy - thank you for your patience while I help coordinate these events. Folks, she truly is a saint and I can prove it. She hasn't strangled me yet.

Finally, this last one goes out to the parents of our younger Ridgers. Here's the comments I heard from two of the vendors. "We were so impressed with how well mannered all the kids were." That says a lot about the jobs you're doing, thank you they represent themselves, their families, and our whole community extremely well. You should be proud. "

Every vendor loved the event and want to come back next year. They all said it was by far the best venue they've worked so far this year. Next year we'll be even bigger and better. Thank you everybody for supporting our Ridge events.

~Jake Bontatibus

Attention Renters:

If you have moved in during the year, you have the opportunity to receive a welcome packet. This packet has lots of useful information in it which can help you get your "bearings" a little sooner, and with less effort. When a house is sold, we can easily find out who is there and when they got there. When a rental property has new tenants, it is much more difficult for the Welcome Committee to get that information. New to the area? Need information? Call Jennifer Kelley at 232-3430. We are in the process of updating the packets. If you have questions please call!
