Do you have an unsightly house near you?

These concerns should be addressed to either the Code Enforcement Office for the City of Dayton at 333-3977 or the Zoning Enforcement Officer for Riverside at 233-1801.

From The OHIO BMV Motor Scooter Information

REMINDER OF OHIO'S MOTOR SCOOTER LAWS

Motor scooters and mini-motorcycles have become hot items among children and teenagers.

Parents, grandparents and other family members are spending their hard earned money to purchase scooters and mini-motorcycles – just to find out that most cannot be operated on Ohio's roads and their children - or grandchildren cannot legally operate the vehicle.

In Ohio, the motor scooters and mini-motorcycles cannot be legally operated on Ohio's roadways unless - they are titled, registered, covered by the proper insurance and the operator is at least 16 years old with a motorcycle license or endorsement on his or her driver license.

Most of the small electric and gas powered motor scooters, which are sold in sporting good stores and department stores, are not roadworthy, therefore cannot be titled or registered.

In order for the scooter or the mini-motorcycle to be considered roadworthy each must contain a seat, not more than three wheels in contact with the ground, contain the proper brake lights, turn signals, horn, rearview mirrors and headlights.

The motor scooter and mini-motorcycle will be issued a motorcycle plate, which will need to be attached to the vehicle.

Please make sure you have the proper insurance coverage on your motor scooter or mini-motorcycle, before registering your vehicle. The owner and the operator of the motor scooter or mini-motorcycle are subject to financial responsibility suspensions if the proper insurance is not maintained.

And finally, in order for the individual to legally operate the motor scooter or mini-motorcycle – he or she must be at least 16 years old and hold a valid driver license with a motorcycle endorsement or a motorcycle license. It is very important to know Ohio's road laws and signs before an individual attempts to operate a vehicle of any kind on Ohio's roadways. Licensed drivers have been tested on their knowledge and skills.

Please, know the law before you purchase a motor scooter or a mini-motorcycle. Know where they may be operated and who can operate them. If you have questions you may contact the BMV at 614-752-7800 and you also need to check with your local jurisdiction before you make the purchase.

It's about your safety, your children's safety and other drivers' safety.

Call for Trustees!

The Forest Ridge Board of Trustees has five members at this time, and the full compliment directed by the By Laws is nine. Five members present at a meeting is the required number for a quorum.

If even one member does not attend the meeting, without a quorum, there can be no business conducted.

Please consider joining this hardworking group of residents. You too, can make a difference. For more information, please call any trustee listed on page 2.

Attention New Residents:

If you have moved in during the year, you have the opportunity to receive a welcome packet. This packet has lots of useful information in it which can help you get your "bearings" a little sooner, and with less effort. When a house is sold, we can easily find out who is there and when they got there. When a rental property has new tenants, it is much more difficult for the Welcome Committee to get that information. New to the area? Need information? Send Maria Ford a private message on NextDoor.

At this time, the welcome packet contents are being revised. Please leave your name with Maria and you will get a welcome packet when the revisions are complete.

Pavilion Support

"I am asking for support from the Boy Scouts in the HOA in support of building the Little Jeep Park Shelter. If you need some community service for a Merit Badge or would like to take this project on for your Eagle Project please have your Scout Master contact Larry Ford at: larryford53@gmail.com. The dates for this will be June 7, 8, 9.

This may be the last year for Forest Ridge Soccer. Our soccer chairman, Jesse Morgan is retiring from the program after many years of service. This spring season is his last as chairman. No one has stepped forward to help. Won't you be a part of this vibrant program and keep this valuable recreational activity alive? Please volunteer!

Sudden Cardiac Arrest and Lindsay's Law Parent/Athlete Signature Form

What is Lindsay's Law? Lindsay's Law is about Sudden Cardiac Arrest (SCA) in youth athletes. It covers all athletes 19 years or younger who practice for or compete in athletic activities. Activities may be organized by a school or youth sports organization.

Which youth athletic activities are included in Lindsay's law?

- Athletics at all schools in Ohio (public and non-public)
- Any athletic contest or competition sponsored by or associated with a school
- All interscholastic athletics, including all practices, interschool practices and scrimmages
- All youth sports organizations
- All cheerleading and club sports, including noncompetitive cheerleading

What is SCA? SCA is when the heart stops beating suddenly and unexpectedly. This cuts off blood flow to the brain and other vital organs. People with SCA will die if not treated immediately. SCA can be caused by 1) a structural issue with the heart, OR 2) a heart electrical problem which controls the heartbeat, OR 3) a situation such as a person who is hit in the chest or gets a heart infection.

What is a warning sign for SCA? If a family member died suddenly before age 50, or a family member has cardiomyopathy, long QT syndrome, Marfan syndrome or other rhythm problems of the heart.

What symptoms are a warning sign of SCA? A young athlete may have these things with exercise:

- Chest pain/discomfort
- Unexplained fainting/near fainting or dizziness
- Unexplained tiredness, shortness of breath or difficulty breathing
- Unusually fast or racing heart beats

What happens if an athlete experiences syncope or fainting before, during or after a practice, scrimmage, or competitive play? The coach MUST remove the youth athlete from activity immediately. The youth athlete MUST be seen and cleared by a health care provider before returning to activity. This written clearance must be shared with a school or sports official.

What happens if an athlete experiences any other warning signs of SCA? The youth athlete should be seen by a health care professional.

Who can evaluate and clear youth athletes? A physician (MD or DO), a certified nurse practitioner, a clinical nurse specialist, certified nurse midwife. For school athletes, a physician's assistant or licensed athletic trainer may also clear a student. That person may refer the youth to another health care provider for further evaluation.

What is needed for the youth athlete to return to the activity? There must be clearance from the health care provider in writing. This must be given to the coach and school or sports official before return to activity.

All youth athletes and their parents/guardians must view the Ohio Department of Health (ODH) video about Sudden Cardiac Arrest, <https://www.youtube.com/watch?v=s-YfCWQPegw>, review the ODH SCA handout and then sign and return this form.
