Fall Soccer

Forest Ridge residents,

I am deeply saddened to inform you that the 2020 fall soccer season as we know it will be postponed indefinitely. This was not an easy decision to make but for the health and safety of our community, we feel it is the right decision to make. This year has been very difficult for all of us. We do feel it is important for kids to find a way to go outside and stay active. The nets will stay up until Columbus Day and we will continue to supply soccer balls to the field as needed. Additional, we will be adding another small soccer field next to the large soccer field by the pool. Please take all the necessary precautions to stay safe and healthy. If you and your family are feeling well please join other families each Saturday at 10 a.m. for an hour of soccer. We ask that you what your reversible jerseys (email frasoccer@gmail.com to purchase one for \$25) or wear a blue or white shirt for a simple division of teams. If you have had a fever or suspect you may have come into contact with someone with Covid-19 please quarantine for two weeks and do not come to the field. Benches are available for family members but please stay 6 feet apart from other groups of families and follow all up to date guidelines from the CDC. We look forward to some type of normalcy in the 2021 season.

Brittany Heckman FRA Soccer Chairperson

- Go Daddy:
 - Hosting \$9.99 per month
 - 1 email/100 redirects grandfathered plan no longer available - any other extra see GoDaddy pricing above
 - No SSL http vs https less secure O
 - Total cost \$140.87/year \$422.61/3 years

Doesn't Meet our current needs

- Dreamhost:
 - Hosting \$4.95 per month
 - Includes unlimited emails at our domain 0
 - 0 Includes SSL
 - Total cost \$59.40/year \$178.20/3 years (current running deal)

Meets our current needs and allows room to grow

Pro/Cons

	Con – Any inherent technical issue associated with
	moving any website from one place to another
	Con - We eat the cost of the rest of the GoDaddy
	hosting for this year (expires 12/2020)
	Con - Not currently budgeted for in communications committee -
	need to find funds (possibly unused/cancelled activities budget?)
	Con – customer service only available via
	Chat or Email – no phone number
	Pro – Meets our current infrastructure needs with room to grow
	Pro - Address ¾ of our record keeping and audit needs
	Pro – more cost effective
_	

Movin

ng Fo	orward
	Option 1 - Find budget to move FRA hosting services to Dreamhos
	immediately and address communication and audit concerns
	Option 2 – Wait until next year/budgeting cycle to
	address and allow next board to make decision
	Option 3 - Continue to use what we have with regard to GoDaddy/
	gmail combination which does not address audit concerns
	Option 4 – Do nothing

The options were discussed by the board and Mike Bradley motioned to adopt option 1. Larry Ford seconds the motion. Yes votes: Mike Bradley, Steve Weiser, Rich Spielman, Scott Kreckman, Larry Ford, Mike McHugh and Tabitha Bentz. No votes: None

Maintenance & Greens:

Weed spraying round 1 was completed and a second run made due to oversight by Leisure Lawn.

Arbor Experts removed all previous contract trees - working to identify other pressing trees that need removal due to safety concerns and infrastructure.

We have an account with Champion for mulch and the

crew will begin on that in the coming weeks.

Scott will be interviewing several potential candidates

this week via phone as part-time assistance.

Infrastructure:

Update on culverts by Little Jeep Park - scheduled 2021 or 2022 per the reserve study. Update on Tennis courts repair/resurface - scheduled for 2021 or 2022 per the reserve study

Tennis Court nets

Midwest Sports
Edwards 40LS for \$199.95 with 5 year Warranty

Edwards 30LS for \$174.95 with 3 year warranty

We want to try and follow the reserve study as much as possible. **Pool:** All pools allowed to open on May 26 with restrictions. We will NOT meet the May 26 opening date. Working with Swimsafe to develop plan to meet CDC and Ohio opening requirements. Still not sure if Montgomery County will have additional opening requirements. Pool licenses have been applied for but not received at this time. Additional funding will be required to meet social distancing changes (i.e. cleaning supplies, plexiglass partitions, hand sanitizer stations, signage, etc.) May require additional employees (or volunteers) to implement. Per JP, Swimsafe is working with Montgomery County to find out what the inspections will be like. There will be a maximum facility capacity as well as a maximum capacity for each pool. There will have to be cleaning every 2 hours minimum. Working on getting plexiglass for the front desk. Possibly a reservation style for swim times if necessary, to curtail crowds. Social distancing will be the hardest part to enforce. Swim lessons and parties will be out of the question this year. Pre-Season repairs required before we can open. Additional plumbing work required in both bathrooms - 3 estimates received, lowest was for \$1935 for work. L shape pool pressure test partially completed (\$2400).

All return lines good but skimmer line found leaking. Leak detection

company wants to dive the pool to finish leak checks (Est \$2,400). Skimmer leak repair estimated at \$3200. Estimate for other leaks TBD. Lap pool needs the north pool wall repatched due to weight of decking being held up by the side of the pool, Est \$3200. Old lifeguard chairs need to be removed, Est \$628, we will try to do that inhouse. New L shape pool chlorine feeder, Est \$428 \$618.23 of \$1,000 budget spent as of April. Need approximated \$15-20K more Larry Ford suggests shutting down the pool to get everything fixed this year. Possibly have to at least leave the L shaped pool closed this year and open the lap pool and the kiddie pool. So we at least have something for the residents to use. We can always bring the L shaped pool into service once the leak is fixed. Mike Bradley would like to use some of the money from the Chase account to get the repairs completed in the bathrooms, the lap pools and the L shaped pool. Mike McHugh would like to hear everyone's opinion on the pool repairs. All members approved spending for the current repairs. Mike Bradley will get some quotes for the decking around the lap pool to find out how much that will be. Spring Soccer 2020 - Cancelled **Recreation:** Swim Team Operations limited by State of Ohio Restrictions 50% pool capacity limits will affect swim meets May have internal (FRFF only) Swim meets Possible June 15 start by July start with foregoing championships is possible **Activities:** Spring Easter Egg Hunt - Cancelled Memorial Day Pool Opening/Food Truck Rally - possibly moved to Labor Day Garage Sale - TBD but Tory is calling Monday morning to try and get permits squared away for 27 June Summer July 4th Party - Date TBD (Pool) Pool Raft Party - Date TBD (Pool) Labor Day Party/Pool Movie Night - Moving Food Trucks and П Memorial Day activities to one big blow out day on 7 Sept (Pool) Autumn Halloween Hayrides - Date TBD Fright Night - Date TBD (Location?) Halloween Parade - Date TBD

Audit: Please provide 2017 and 2018 Audit status – Hammerman, Graf & Hughes are working through the audit now. Dan Freeman has been slowly providing information for the audit - Mike Bradley has given Cindy Hess at Towne Properties access to the folder that contains audit information. Please provide 2019 Audit start date? - Amy with Hammerman, Graf & Hughes mentioned there are a few options we can explore vs a full audit. **Old Business:** Entrance Sign Replacement (Kitridge & Strathaven) – Claim was renewed with the insurance company, Need 2 more replacement cost quotes - Larry states work is delayed due to Ohio Stay at Home Order

Meeting adjourned at 9:04.

Friends of Forest Ridge

WE ARE THE VOLUNTEERS

HISTORY OF THE FRIENDS OF FOREST RIDGE

The group started in 1973 as The Ridge Tillers Garden Club with four members and grew to a membership of twenty seven. A few years later the group divided and the Friends of Forest Ridge was established. Our purpose was to increase community awareness, pride, improvement and appreciation of friendship within Forest Ridge.

In the early years as the community began to come together we established a horticultural program which consisted of a twenty year plan to be done in four, five year goals. The program started on the boulevard in 1973.

There was no topsoil, only road gravel and weeds. To raise money we started a plant sale. Members went door to door taking orders for flowers. The flowers were delivered to a member's yard where people in the community could pick them up. This was done on a cash and carry basis only. The first money was used to buy sod and grass for the boulevard. The sale was held every year and monies were used to buy trees, shrubs and bushes for areas in our community. As the years went by and the sales grew, we used the pool area for unloading of delivery trucks, and distribution of the flowers.

From 1973-1985 members and husbands hand dug holes to plant the trees on the boulevard. The first plantings on the boulevard began in 1975 with two ovals being planted with Washington Hawthorns (2), Radiant Crabapples (2), White Crabapples (2), Forsythia (2), and Burning Bushes (2) which were surrounded by Blue Spreading Junipers (24). These two ovals were connected by White Crabapples (5) and American Lindens (3). In the section between Silver Oak and Honeyleaf the first tree was planted in 1978 in an oval halfway between the two streets.

Continuing the 20 year plan, the Pool and Soccer areas were designed and landscaped with plantings beginning between 1978 and 1979. Radiant Crabapples (5) were planted at the Sports Complex to welcome you down the Corkwood sidewalk. White Pines (6) and Douglas Fir (3) were planted at the entrance to the Play Ground. Pin Oaks (4) were planted around the swings and slide area. Sugar Maples (2) were added near the Tennis Courts, also Virginia White Magnolias (5) near the pool and Green Ash trees (8) in and around the Soccer Field. Along the South side of the pool fence are Chokeberry Bushes (35) with beautiful crimson color and blackberries for the birds.

In 1980, the Forest Ridge sign made of concrete was provided by the builder and included plantings of Colorado Blue Spruce (2) and Taxus (10). This was enhanced by the Friends adding six railroad ties and top soil to make a flower garden. Daffodils (200) were planted as well as white chrysanthemums and lavender started our first bed of annuals in Forest Ridge. A few years ago the ten Taxus died and were removed. One of the Blue Spruce died and was removed last year. We have continued to plant this bed with perennials and annuals through the current year. Daffodils, yellow Coreopsis and Sedum perennials are currently planted in this bed (along with annuals which are changed from year to year.) The top tier consists of China Girl and China Boy Holly as well as boxwood shrubs.

In 1981 – 82, the Boulevard between Silver Oak and Honeyleaf was planted and is comprised of two sections which contain Norway Maples (6), Greenspire (Little Leaf) Lindens (11), Crabapples (20), Pear Trees (4) and at the end of each section were planted Mungo Pines (5).

In 1983 the final section of the Boulevard between Silver Oak and Strathaven was started and the planting of Redmound Lindens (12), Austrian Pines (8), Serviceberry Bushes (10) and Mungo Pines was completed. In the Fall of that year the night before the Halloween Parade some of the trees were cut down by vandals and the Forest Ridge Association Board volunteered to have them replaced.

In 1985 the Friends decided to add a tree line along the sidewalk of the Boulevard by planting Aristocrat Pears (16) in Section One and in Section Three (26). These Pear trees have snowy white blooms in the Spring.

The Linden and Pear trees have a tall triangular shape which does not require pruning. This completed our design and plantings on the Boulevard.

Friends of Forest Ridge

In 1986 the Entrance to the Pool Area was undertaken. A soft shrub garden was designed. Five hundred feet of landscape edging was used to outline the planting area. Weed killer was applied, ground cover removed, ten bales of peat moss plus eight cubic yards of mushroom soil, gypsum and fertilizer were added and the following shrubs, bushes, etc. were planted: Cranberry Cotoneaster (37), Upright Taxus (17), Mungo Pines (13), Wentworth Viburnum Berries (14), Purple Smoke Trees (2), Upright Taxus (10), Golden Flame Spirea (17), Dwarf Sargent Flowering Crabapple (1), Variegated Red-Twig Dogwoods (8) and Yellow Potentilla (8).

Willow Branch Tennis/Basketball Court landscaping was done in 1987. Along the walkways are planted Bradford Pear Trees (15), Snowdrift Crabapples (2) and Anthony Water Spirea Bushes (34).

In 1988 Perennial beds were established in the ovals along the Boulevard. To these beds members planted annuals with different color themes every year. The original ovals from 1975 were updated by removing the burning bushes and forsythia and these were replaced with Blue Rug Junipers and Autumn Joy Sedum which blooms a mahogany color in the Fall and lavender blooming Hostas were planted under the shade trees.

In 1989 along Union Schoolhouse at Silver Oak we planted Pink Crabapples (3), White Pines (5), American Lindens (7) and Chinese Silk Trees (13) which have white blossoms in June.

In 1990 the first "Theme Park" which was called "The Country Park" was established along Union Schoolhouse Road. This park is located on the left hand side on Union Schoolhouse one-tenth of a mile past Forest Ridge Blvd heading up toward Elmshaven. These are Native Ohio trees and consist of forty-four which are: Green Ash, Hackberry, River Birch, Hornbeam, Shadblow, White Pine, Tulip Tree, Douglas Fir, Hemlock, Elm, Sycamore and Crabapple.

In the Fall of 1991 the Soccer Field on Meadowsweet was planted with trees which showed brilliant colors in the Fall. Red Maple trees (13) were chosen and planted in this area.

The second "Theme Park" plantings were done in 1992. This area is called our "Bird Nesting-Feeding Park" and is located on Sweetleaf. Coming from Valley Street turn onto Union Schoolhouse make a left onto Silver Oak. Take Silver Oak to Sweetleaf which is on the left. Drive a short distance past Corkwood Drive on the left there is small green area. The sidewalk area is lined with October Glory Ash (12), Northern Red Oak (3), Norway Spruce (3) and Viburnum Berry Bushes (3).

Barrels were bought to use for planting flowers at the pool. These barrels are planted with annuals every year by Friends.

Since we had achieved our 20 year goal plan the flower sale was discontinued at the end of 1995. We continue to support the community by planting flowers at the Forest Ridge Entrance Sign, the Gazebo and at the pool with monies provided by the FRA.

After the completion of the 20 year plan our next undertaking was raising monies for the building of the gazebo. The initial idea and plan for the Gazebo was presented by the Friends and approved by the FRA in 1993. Three committees were established (Stage 1 contacting contractors, preparing proposals to be submitted to the FRA Board. Stage 2 - Selection of Contractor and Construction. Stage 3 - Building of the brick concrete walkway.) Three bids were accepted and Archadeck was selected as the gazebo building contractor by the FRA Board. The gazebo was started in 1994 and finished in 1995 and was a joint venture between the FRA and the Friends of Forest Ridge. The brick walkway was also started during this period and was completed in the Spring of 1996. Landscaping for the gazebo was designed by the Friends.

Gazebo landscaping consists of Virburnum, Potentella, yellow Day Lilies, Golden Spirea Bushes (5), Bird's Nest Spruce, Barberry Shrubs (2) and Ornamental Grasses and was completed in the Fall of 1996.

Additional Gazebo Plantings - In 1997 members planted Blue Hyacinths, Yellow Daffodils and Dark Pink Tulips totaling 126 bulbs. Every year at Christmas we decorated the gazebo with pine garland, red bows and lights.

Friends of Forest Ridge

In 1998 Perennials were added to the ovals on the boulevard between Union Schoolhouse and Honeyleaf which consisted of Knockout Roses and Daylilies.

During the years members of the "Friends" provided ideas for designs for landscaping Forest Ridge. We have always competitively bid to companies for the best prices and all monies from the plant sales were used to beautify our community. Members planted trees, shrubs, perennials, annuals, maintained the beds by trimming shrubs, and watering trees and flower beds (hauling one gallon water jugs from our homes to the planting areas), fertilizing, mulching and weeding during the growing season. We would like to thank the two homeowners on Silver Oak for allowing us to use their water when it was needed for the plantings at the Forest Ridge sign. Forest Ridge has one of the finest collection of native trees.

Over the years many of the shrubs and trees that were mentioned in the plantings have died from age or disease.

Other projects originated by the FFR are: Contracting and obtaining lighting for the Forest Ridge Sign, selection and design of the Forest Ridge Sign at the corner of Union Schoolhouse and Silver Oak (over the years the design of the sign and lettering had to be changed a number of times due to vandalism. The FFR worked on selection of the lettering, colors and design - the final and current one being granite), redesigning the flower bed at the entrance sign (removing railroad ties and replacing with a two tiered stone flower bed) and landscaping designs throughout the community. All these projects were submitted for approval to the FRA and monies approved. Our latest contribution was used to make repairs and reseal the wood on the gazebo in June of 2018.

Some of our members have relocated to other areas but continue to support our community by contributing their time and efforts in planting flowers and offering ideas to enhance our community.

In 2009 the City of Riverside presented the Friends of Forest Ridge with a Proclamation Honoring our years of service in beautifying the community and for our invaluable service in planting and the upkeep of flowers within the Riverside Community.

We thank the Forest Ridge Community and the Forest Ridge Association for their support throughout the years in our endeavors to make Forest Ridge a place where new neighbors feel welcome.

Our current membership consists of twenty one ladies and one gentleman (who joined us in 2013). The majority of the ladies have been with the "Friends" since the very early years. Although our hearts and minds are willing, after 47 years of commitment to the community the members of "Friends" feel it is time to hang up those trowels, shovels, kneelers, gloves, buckets, trimmers and recycle those water jugs. We take pride in all that we have accomplished and look forward to enjoying the fruits of our labors.

Our hope and wish is that there are others in our community who will be willing to pick up the torch and carry on to keep Forest Ridge a place that is a warm and inviting community for new families.

Residential cleaning: Weekly, bi-weekly, monthly, or one-time cleaning by Kearsen Wideman, 937-823-3074. Conscientious, meticulous, reputable, in the neighborhood with over 20 years of excellence. I'll take the time to thoroughly clean your home, while you take time to do the things that mean the most in your life. Call or text for an estimate.

For Sale: Weslo Cadence 55 Treadmill for \$75. The treadmill is in good condition, is key operated, and folds up. Call Lynda at 937-236-4670. If I don't answer, please leave a message and I will call you back.

General handyman services: Any size job. Many references from the Forest Ridge area available. No job too big or too small. Call Mark at 829-1363.

FREE Service: Will haul away for FREE any metal appliances: refrigerators, stoves, washers, dryers, grills (no propane tanks), bicycles or any other metal objects. Call Tom at 937-371-9163 to make an appointment for pickup. If I don't answer, it is because I can't. However, leave a message and I will call back as soon as possible. (through Feb 2021)

Josh's Lawn Care: Professional Lawn Care at reasonable prices. Lawns start at \$30 for Cut-Trim-Blow. Call or text 937-305-6449 for your Free Estimate. (August 2020)

Need a babysitter / house sitter for the summer months? Contact Becca Jobe via text to the number (937) 716-6375.

Fall General Meeting News

Fellow FRA Members,

It looks like our attorney has been able to obtain a waiver from the State of Ohio that allows us to hold the annual Fall Member's Meeting, but we have to meet social distancing and mask requirements, so we may have to move the meeting outdoors.

Still, we wanted to let everyone know the meeting is going to happen, but we have to work out all the details to include what happens if it rains. More information will be coming to each household in the mail soon,

We hope to see you soon!

FRA Board of Trustees

FRA Movie Night, August 22nd. FRA Movie Night, Saturday August 22th. Forest Ridge will hold a family Movie Night featuring Wizard of Oz, **Saturday August 22nd** at dark, in the field by the pool. We will have designated spaces for each family, and we ask that you bring your own chairs or blankets and observe proper social distancing. We had hoped to have the movie night this month but we are working to get speakers and secure a screen. If this goes well we hope to continue this monthly as weather permits. Thank you!

Hello Neighbors. We had some really nice skies to look at Jupiter and Saturn at our July Stargaze. So much fun was had, I decided to try it again in August. Jupiter and Saturn will be up much earlier in August, plus we might get a peek at Mars. I'm scheduling this for **Friday, August 14th** with a *bad weather date of the 21st.* Same location, but maybe about 20 ft to the south. :) We'll hope for clear skies! any questions, please message me!
